Our camp is located 2.5 kms from the alpine village of Hanmer Springs, in the heart of the Hanmer Forest. It is located on 9 acres of land, surrounded by forest and mountains, and includes an adventure playground as well as large play areas.

Once a single-men's Forestry Camp, it is now a great place for individuals to come and relax and unwind for a weekend (or longer). We can accommodate your needs in with a variety of accommodation styles, each with access to kitchen/lounge facilities (we offer a range of wheelchair-accessible facilities). The Hanmer Springs Forest Camp is a family-focused facility in which we only accept bookings from well-supervised groups of young people.
